

Simon Community NI Pledge

Homelessness has always been a serious issue, however, in light of the recent budget cuts and economic recession more people than ever are at risk of becoming homeless and in need of support services. It is critical that homelessness remains at the forefront of government planning.

If you are a member of the public -

Please submit your details @ www.simoncommunity.org/contact-us/ and show your support for Simon Community Northern Ireland.

If you are an elected representative-

We would appreciate if you could show your support for our vision of social justice by letting us know at www.simoncommunity.org/contact-us/

*'I promise that addressing homelessness will be a key priority of my work.
I pledge to support organisations that ensure housing, healthcare and other support services are available to those at risk of or experiencing homelessness'.*

We look forward to working with you in the future.
