Back by popular demand, this year's sleep out at Stormont will be even bigger and better. A night of entertainment and something different, the event makes for a way to experience what homelessness and rough sleeping may be like. We won't lie, it will be cold but promise it'll also be fun!

### Sweaters for Simon

A non-uniform day or casual Friday with a difference, why not support us in your workplace, school or community group by wearing your Christmas sweater and donating to homelessness.

### Sing for Simon

**Throughout December: Cost - Free**

Join us for some festive carol singing and raise funds for those with no home at Christmas. Better still, why not get imaginative and organise your own Sing for Simon event with a difference.
